

KILKENNY GAA

GOLF CLASSIC

AT GOWRAN PARK

24 MAY 24

Kilkenny GAA is working towards investing significant resources in its players and in new facilities in the next five years. To realise our objectives, this will require the support of the business community, in addition to that of our loyal supporters. The upcoming Golf Classic on the 23rd & 24th May is one such means of supporting our players, in particular Na Cait Óga (our Academy Players), and it also promises to be a great day out. On behalf of Kilkenny GAA, I would like to thank our hardworking Golf Classic Committee and all who support our Golf Classic in any way.

We have a terrific event planned and I would like to thank you in advance for playing an active role in supporting Kilkenny teams into the future. There are some superb prizes on offer and there will also be a host of former players & captains in attendance in what promises to be a great social event prior to the big match vs neighbours Wexford on Sunday the 26th May. This annual event for all Kilkenny Gaels will be a great opportunity to catch up with supporters and former players, to reminisce and also look to the future. On behalf of Kilkenny GAA and the Golf Classic Committee, I look forward to welcoming you on the day and, in true Kilkenny style, I'm sure there will be an almighty battle out on the course amongst all the cats.

Kilkenny's GAA Academy is a vital component to the future success of Kilkenny hurling. The Academy provides a pathway for emerging young talent within our county, starting at U14 grade. Our academies are a fundamental component for our young cats (Na Cait Óga) to flourish within Kilkenny's high performing environment. To implement these structures and supports, necessary funding is required to provide for our Academy teams, from equipment, nutrition, player workshops, coach workshops, buses and gear, to name a few.
